in hard luck and heavy rain joseph c russo takes readers into the everyday lives of the rural residents of southeast texas he encounters the region as a kind of world enveloped in on itself existing under a pall of poverty illness and oil refinery smoke his informants stories cover a wide swath of experiences from histories of lgbtq life and the local petrochemical industries to religiosity among health food store employees and the suffering of cancer patients living in the refinery belt russo frames their hard luck stories as forms of verbal art and poetic narrative that render the region a mythopoetic landscape that epitomizes the impasse of american late capitalism he shows that in this severe world questions of politics and history are not cut and dry and its denizens are not simply backward victims of circumstances russo demonstrates that by challenging classist stereotypes of rural americans as passive ignorant and uneducated his interlocutors offer significant insight into the contemporary united states
